Leave or wait for the timer to count.HelbrebreakerÃ© a flying enemy.Helbreaker has 10m hwellbreaker sounds cool, but it seems nice to lamecollect 12 capybara keys on lvl 1 before going to lvl 2 n 3 so you don't have to worry about fighting the golden bats on each lvl.Once U used the keys, be consumed, it will be even though Frm ur inventoryu can't Save deform on level 2 n 3. CCD, going to barracks or logoff, can not return via login in the previous option.Once U used the keys on the marker stone, the path will remain open temporarily.
