If a Member has multiple Program Credit Cards they cannot be linked to the same Triangle Rewards Account. A Member can request the issuance of additional Triangle Rewards Cards that have the same account number as that Member's Triangle Rewards Account. Collecting electronic Canadian Tire Money eCTM can be collected when you purchase Eligible Merchandise see below at participating Canadian Tire stores or online at [canadiantire.ca](http://canadiantire.ca) or such other web site as may be designated by Canadian Tire from time to time. To collect eCTM you must present a Triangle Rewards Card or use a Cardless Method described below. You can also collect eCTM on that portion of a purchase charged to a Program Credit Card. The Program Credit Card must be linked to a Triangle Rewards Account at the time the purchase is made in order to collect eCTM. The amount of eCTM collected on fuel purchases depends on the number of litres purchased. A minimum fuel purchase may be required before eCTM can be collected. The rate of collection may vary from time to time and by location and by type of tender used for payment so check at your local Canadian Tire gas bar. You can also collect eCTM on purchases that you make at other merchants that are charged to a Program Credit Card. The rate at which eCTM can be collected may vary from time to time and by location and is subject to change by Canadian Tire without notice. In addition, you may collect eCTM at a different rate if you pay with a Program Credit Card than you would if you use a Triangle Rewards Card or Cardless Method. Purchases made in a foreign currency with a Program Credit Card are first converted into Canadian currency as set out in the cardmember agreement prior to calculating the amount of eCTM that you have collected. If you use a Triangle Rewards Card or Cardless Method, it must be swiped or scanned or your phone number provided, as the case may be, before you make your purchase. When shopping online at [canadiantire.ca](http://canadiantire.ca)

or other website as designated by Canadian Tire, you must enter your Triangle Rewards Account number at check out to collect eCTM. Members are also eligible to collect bonus eCTM, or to collect eCTM at a promotional rate offered from time to time on the purchase of select items, upon the occurrence of certain events or as part of a promotion or offer, but unless otherwise indicated, bonus eCTM or eCTM awarded at a promotional rate is awarded only once for a transaction. You cannot use a Triangle Rewards Card or Cardless Method together with a Program Credit Card. If you charge a purchase to a Program Credit Card, you will only earn eCTM at the applicable Program Credit Card rate then in effect, even if you also present your Triangle Rewards Card or Cardless Method. However, if you redeem eCTM to pay for part of a transaction and pay for the balance of the transaction with a Program Credit Card that is linked to a different Triangle Rewards Account than the account from which the redemption is occurring, all eCTM collected in respect of that transaction will be credited to the Triangle Rewards Account from which redemption is occurring. You will not be able to collect eCTM on that portion of a transaction in respect of which you redeemed eCTM. However, we may, from time to time and at our discretion, have special offers or promotions that would allow you to collect eCTM on that portion of a transaction in respect of which you redeemed eCTM. If you use more than one Program Credit Card to make a purchase e.g. split the cost between two or more cards, all eCTM collected on that purchase will be credited only to the Triangle Rewards Account linked to the first Program Credit Card that is presented. If you make payment using a Program Credit Card in combination with some other form of tender, only that portion of the purchase charged to the Program Credit Card will earn eCTM at the then applicable Program Credit Card rate.

That portion of the purchases made with the other form of tender may be eligible to earn eCTM at a different rate. Delays may occur in recording eCTM to a Triangle Rewards Account. Redeeming electronic Canadian Tire Money eCTM can only be redeemed for merchandise including applicable taxes at participating Canadian Tire stores or at other locations designated by Canadian Tire. To redeem your eCTM you must present your Triangle Rewards Card or Cardless Method or Program Credit Card to the cashier with your purchase. Please note that in some Canadian Tire stores it may not be possible to simply provide your phone number when redeeming eCTM; presentation of your

Triangle Rewards Card or Program Credit Card or scanning of the Program App may be required instead. You may not redeem eCTM from more than one Triangle Rewards Account for the same transaction. You must have enrolled in the Program, or have activated your Program Credit Card, in order to redeem eCTM. What Happens When an Item is Returned. If you return an item for a refund and had received eCTM when you purchased such item, such amount of eCTM will be deducted from your Triangle Rewards Account. Merchandise that was purchased either in whole or in part by redeeming eCTM may not be returned for cash, rather, the connected Triangle Rewards Account will be credited with the same amount of eCTM used to make the original purchase. Expiration of Electronic Canadian Tire Money We may expire the eCTM in your Triangle Rewards Account in the event that there has been a period of inactivity of 18 months or more. For the purposes of this section, "inactivity" means that there has been neither a transaction in which you have collected eCTM, nor a transaction in which you have redeemed eCTM during the period in question.
