

I'm not a bot

Our collection of shower towers offers a perfect blend of style, functionality, and luxury for your bathroom or shower room. With various features such as adjustable and non-adjustable settings, thermostatic control, body jets, and digital temperature controls, you'll enjoy an invigorating spa-like experience every time you step into the shower. From exposed to concealed designs, we have a wide range of sizes and finishes to suit your requirements, including stylish chrome and matt black options. Our shower towers come equipped with a rainfall head, handheld shower, and overhead shower, providing complete control over your showering experience. The body jets feature will give you a soothing massage effect, easing away any tension in your back or shoulders, leaving you feeling more energized. Thermostatic shower panels are also available, offering an added touch of designer luxury to your bathroom. Our tower and column showers are not only visually stunning but also easy to install and maintain, making them a great option for those looking for a hassle-free experience. Whether you're updating your existing bathroom or building a new one, our shower columns collection has everything you need to create the ultimate spa-like experience. With generous manufacturer guarantees and a comprehensive after-sales service, we have got you covered.
