It is really quite simple to reinstate your membership in the Elks! Reinstatement in your same lodge: Go back to your old Lodge and ask the Secretary for an Application for Reinstatement. Fill out the form. Pay the prescribed fees. Your application will be forwarded to the Investigating Committee, who will contact you for an interview. After the interview, the committee will make their recommendation to the members at a regular meeting. After the Lodge vote, you will be notified by the Secretary. You will be required to pay a prorated portion of annual Lodge dues. Then you will be issued your membership card. Reinstatement in a new lodge: Should you wish to reinstate your membership in Elklodm with a Lodge other than the one in which you were initiated, you must reside in the jurisdiction of that Lodge. Before you reinstate you have to obtain a Certificate of Release from your old Lodge. Write a check payable to the old Lodge in the amount of \$20 and ask the Lodge Secretary to forward a Certificate of Release. When you receive your Certificate of Release present it to the Secretary of the Lodge you want to reinstate your membership with. Then you would go through the steps described earlier. If a Lodge has no proof of prior membership, the burden of proof falls on you. Proof of prior membership can be: An old membership card A canceled check An affidavit signed by two members attesting to prior membership (It must be notarized) If you cannot provide proof of prior membership, it will be necessary to apply for membership as a new member. Starting May 15, 2012, members of the Elks will be able to send membership invitations to friends and family via the elks.org website. Invitees can then "click through" to submit their membership application online. Lodge Secretaries will be notified of these applications via the "Alerts" screen on CLMS, and can import the data directly into their database with the simple click of a button. From that point forward, the candidate will be processed through CLMS just like any other membership candidate. Q & A: Have our membership policies changed? No! Membership in the Elks is still by invitation only, and the Order's membership requirements remain unchanged. Contact support I was selected for a summer internship 2016.I tried to be very open while filling the preference form. I choose many products as my favorite products and I said I'm open about the team I want to join.I even was very open in the location and start date to get host matching interviews (I negotiated the start date in the interview until both me and my host were happy.) You could ask your recruiter to review your form (there are very cool and could help you a lot since they have a bigger experience).Do a search on the potential team.Before the interviews, try to find smart question that you are going to ask for the potential host (do a search on the team to find nice and deep questions to impress your host). Prepare well your resume.You are very likely not going to get algorithm/data structure questions like in the first round. It's going to be just some friendly chat if you are lucky. If your potential team is working on something like machine learning, expect that they are going to ask you questions about machine learning, courses related to machine learning you have and relevant experience (projects, internship). Of course you have to study that before the interview. Take as long time as you need if you feel rusty. It takes some time to get ready for the host matching (it's less than the technical interview) but it's worth it of course. Just register on the admission portal and during registration you will get an option for the entrance based course. Just register there. There is no separate form for DU CIC.
