ADIRONDACK ROCKER

The Adirondack Chair that we featured in our March/April 1986 issue was such a success, that back issue has long been sold out. But for fans of the distinctive Adirondack style, here's a handsome rocker that is also bound to please. Its curved back and seat combine to cradle your torso, while the generous return at the seat front provides a gentle support for thighs. The wide arms are sturdy enough for your favorite book, or a paper plate piled high with grilled chicken and coleslaw. With its good looks and comfort, this rocker will fast become everyone's favorite front porch seat.

To make this project easier for you to build, we've arranged with a hardware supplier to offer a kit (K) that includes all the stainless steel screws and bolts that you'll need (see Bill of Materials). If
