Airline Tycoon Cheats: ----- Enter one of the following codes during the game. Cotigo ----- Select Nave - Atmissall People Leave Airport - Panic More People Fly Airline - Crowd Money - Donald Trump Airport Expand - Expander All Assets Assistants - Mentat Eliminating Doubts - NOBOTS All Visitite - Showll Notebook - Thinkpad Level Skip - Winner AIRFIELD LOTADO - MissionCrowd FASTER PEOPLE - Runningman best reputation - Famous \$ 1 billion - Megarichman Airport Expand - Expander See Passenger Thoughts - Unlimited Chewing Chewing Money: ----- Posted by: Jamie type Richman all a word and you it will have unlimited money. Tips: ----- Visit Cafe Rick on the main floor for hands. Rick will offer advice on where to get a cell phone and the best place to pick up new orders. The Duty Free Store is his best friend. There are many items for sale that could allow you to work from anywhere from the airport, sparing you the trip back and back to the office. Check out. Weapons: ----- On the second level, buy the violin box. Then you will go to the place Airbair and click on the violin logo at the bottom. He will thank and ask him to press the Hydrant Fire next to the building. Inside a secret weapon shop. Unlimited Sabotage to Ur Competitors: ----- Here comes the sneak trick to sabotage Ur competitors, it is only to take a travelagent spider (t). While u keep it, u can sabotage ur competitors, going to PetrolairBackroom. But remember only a sabotage a day. Many connections will see u pay a fine. There is an antivirus disk: ----- First you go to the "airtravel". Catch the short spider before the snake comprises it. And then go to the rear of Petrolair. Give him the spider. After giving it, you choose a dart from the stag. Go to the "advertising agency". Give him the dart. And you can have your antiverrus disk (on the table next to him). Paper clips: ----- Go to the billboard management route to the right of Mr. Uhrig, the director of the airport, and steal four paper clips. Then, go to the cargo department, located in the left corner of the airport. Give the paper clips to the operator. It will accept them and say that it prefers to use the paper clips than the liquid glue. Take the liquid glue, which is located in front of a small box next to the crane operator. Go to any part of the first floor at the airport and drop the glue on the ground by clicking on it (at the bottom of the screen). When any of your adversaries step there, they will get stuck temporarily. This is useful when done at the beginning of the morning immediately after the meeting with Mr. Uhrig. It will prevent your adversaries from getting airtravel before you. More sabotages: ----- In a network game, there are possibilities of sabotages that are not available in a single game. To activate these, you must find and collect the most common number of items. Find the sabotage store: ----- Buy a Duty Free Shop violin case and give you with the Arab in Petrolair. He will talk about the entrance to the secret room next to his store. Easy way to get CPU stocks and buy them out: ----- ----- ----- Go to the bank, sell all your actions from your company, license, re-enter the bank, and buy everything back your stock. Leave again and wait for a short time. Other competitors will come to the bank and some will sell some of their stocks. Buy your actions, which will help you buy them out. Note: If nobody sells your existences, just repeat. Energy drink: ----- After getting the gloves, use them at the end of the day to buy the energetic drink. The next day, after Meeting, drinking it alone. You're going to run twice as fast. This will help you reach the most fastest order tables. Go to the kerosene Balcão next to the Duty Free Store. Then take a glove on the balcony. Now it goes for the beverage machine next to the load or in front of museum. Use the glove with a drinking machine to get a can of energetic drink. Drink and you can go to the entire airport with excellent resistance and high speed walk. Just drink and you'll meet him later. Stink Bombs: ----- After negotiating the gloves for the stench bombs on the newspaper bank, check out the plates from time to time to see which ones are coming or leaving. If you see a competitor that you really hate you have a vain today, write down the time. Go to the gate at least 30 minutes before arrival / departure. When you arrive, enter the boarding area and see the door as if you were receiving the airplane. Immediately as the passengers are passing through the door, drop their bombs. He will make all the sick vain to the estranges and diminish the competitor's reputation. You can repeat this as often as it is necessary. Horseshoe: ----- Talk to the flat broker. Sometimes if you wait enough, the storage area at the top will be open. Take the bra. Go to the free store of duty and give the girl behind the balcony. She will thank you, and now you can get the horseshoe located in the upper left corner of the screen. Go to Rick's café and give the horseshoe to him. It will prevent your employees get stunning. Easy money: ----- Go to the bank from time to time. When you do, write down the trash can in the middle of the table. From time to time, there will be several sums of money there. You can receive between \$ 50,000 and \$ 60,000,000. If you are already outside, buy the Boeing 777-300 for \$ 30,000,000. After buying these plants, do not do anything to them. Go to the museum and offer to sell the 777 on the same day. The curator will buy the airplanes for \$ 41,000,000, which results in profit of \$ 11,000,000. He will always offer this price for a new Boeing 777. Note: You can not modify the 777 that is planning for sale. Go to the bank at any time of the day. Go to the Lady of Empreter. Activate the NOBOTS code if you have any, you think a generous. For example, if you already have \$ 900 million, the genero will probably be between \$ 300 to \$ 425 million at once after completing the comprehension. Activate the NOBOTS code and take another generous. After a while, Sendo's lady will be angry. When Belinda (her secretary) says the bank is doing a prorseries, she activates the NOBOTS code and ignore it. So, do it again the next day. Gloves: ----- Go to the gas station for ten days and beyond. There will be a pair of gloves on the balcony by the brochures. Take them and go to the Coca-Coca Machine between freight AA © reo and the museum. Patronize the automoty machine. Gloves prevent you from becoming electrocuted. Take the coke and go to the newspaper bank. Give the coke novel. Then click the treadmill pack in the lower left corner of the window. He will give them to you as a gift. Cola: ----- Get paper clips from the route administration plate and hand them to the man in the cargo area. Take his glue. You can use the glue to delay your competitors. Click on it and you will see a glue poça on the ground. Once your competitors pass on it, they will be in a sticky situation. Extra things: ----- Make an easy profit - since the airplane is for sale, buy the Boing 777-300. Without changing or putting any requests on the airplane sold it in the museum. It will buy it for \$ 40 million when you paid only \$ 30 million. Computers emittions - Sell all your stocks. Exit and enter the bank again. Buy your actions back. Computer players should issue more action. (If at the beginning you can not. Try these minisks: StinkBomb - Take gasoline air gloves. Go to the refrigerant machine and take a soda. Go to the news kiosk and click on the Refrigerant. Now you can get stinkbombs from the guy, in them in the lower left corner. No strikes / pumps - Go to the airborne broker and take the bra from the upper compartment. Take him to the lady in the free duty store. Then take the hoshoe at the top left of. in. shopping. Now you have two choices. Keep Horshoe and you can not have your bombard office. Or give it to the bated guy on ricks and their employees will never get on strike. Glue- Get the route clips route. Take them to the man in the cargo portion and he will let you take the glue. When you are upstairs you can use the glue on the ground. It can stop competitors (or you if you are not careful0 to move for hours even more money (1000000000) . ----- ----- Posted by: Enter me "Megarichman", and you get 1000000000 Airline Tycoon Theme for Win9x Initialization and shutdown screen: ----- ----- There are some extras About the disk game: If like changing the screen appearance and shutdown startup screen just running theme.exe in your Win95 / 98 / 98S machine. Screens will be changed. Note that the Shutdown does not appear only on non-atx systems because it will be turned off automatically.
