Cloud gaming with Xbox is available on Meta Quest 3S, Meta Quest 3, Meta Quest Pro, and Meta Quest 2 headsets. Is a subscription required? An Xbox Game Pass Ultimate membership is required to play cloud games in the Xbox app. Some exceptions apply. What games are available to play? Most titles in the Xbox Game Pass catalog are available to play from the cloud. For an up-to-date list, please visit the Xbox Game Pass catalog. Game titles, number, features, and availability vary over time, by region, Xbox Game Pass plan, and platform. Is cloud gaming available in my market? Visit Xbox regions for details on market availability. What type of internet connection do I need? To play Xbox console games from the cloud on your device, you'll need high-speed internet connection (ISP fees apply). Best performance will be achieved with a 5GHz Wi-Fi connection, with a speed of 20Mbps or higher. Streaming performance is affected by internet connection, user location, device, and other factors. Your gameplay on other devices may be limited. Streamed games may have limited functionality, for example: Limited video resolution; Limited audio outputs; Limited game save storage (cloud saves only); Limited in-game purchases; Limited user-generated content functionality; Limited companion app support; and/or Limited accessory and peripheral support. How do I stop recurring billing? The recurring billing feature is switched on by default, meaning you'll automatically pay for a new subscription period when your current period ends. You can switch recurring billing off and back on through your Microsoft account or from your console. Learn more about stopping recurring billing at Microsoft Support. If you did not want to be charged for recurring billing, but failed to switch off recurring billing before your payment was processed, you're still entitled to a refund of your most recent recurring billing charge if you cancel your subscription within 30 days after payment. This refund right is limited to one time per Microsoft account, per subscription product. You can submit such a refund request to our Support team. Request a refund. *Cloud playable games not included with Xbox Game Pass Ultimate are sold separately.
