Cedida Photo: RADIUS-TWC / Youtube While some films completely satisfy the movements with nuances, others leave audiences discussing or unfortunate flat. The end of a movie is arguably the most important part, but not every movie can land. From the imposition hit back to Snowpiercer, some films always inspired the debate. These movies all had strong games, but they finished well, it is still something debated today. Based on the real-life sinking of RMS Titanic, the 1997 Titanic became a box office break. Starring Leonardo DiCaprio and Kate Winslet, the film followed two outcomposed people falling in love during the trigger trip. Titanic became the first film at \$ 1 billion. Cedida Photo: Paramount Pictures / IMDb The final found Jack putting Rose on a wooden board as he swam in cold water, but many believed that the wooden board was large enough for both. When asked about the end of sight, director James Cameron stated: "Jack will always die, personal! There is no other version of reality." The 2009 broadcasters offer an unique outlet in the superhero gain. Based on the same name DC Comics from the same name, the film was gritty and without fear of pushing things to the limit. The film won three Saturn practices, including one for the best fantasy movie. Photo Cedida: Warner Bros. Photos / Youtube The end of the film found Dr. Manhattan as a public enemy number one against the United States and Russia. In the comics, both nations have joined forces after an attack from an alien lula created by Ozymandias. This change in the plot did not sit along with the hard comic fans. After success 1979 Film Star Trek: The Motion Picture, Paramount Pictures launched Star Trek II: Khan's wrath. The film found Khan Noonien Singh getting his vengeful of James T. Kirk. Conrtrary to the first film, Star Trek Creator Gene Roddenberry was not part of the sequence. Photo Courtesy: Paramount Pictures / Youtube The final found Captain Spock Sacrificing to save everyone in the USS company. Death, which leaked months before filming, attracted hard christmas of the fan. However, the actor Leonard Nimoy had been ambivalent in making the film, and it was just agreeing to kill him that the film was made. The Devil of 2012 in the interior told the story of the filmmaker Isabella Rossi trying to find out what happened to his mother and subsequently passing through a sane of exorcisms. The film won \$ 102 million at the box office against a budget of \$ 1 million. Photo Courtesy: Paramount Photos / Youtube The end of the film showed the friend possessed Rossi driving to the traffic approaching. The screen cut to black and the movies were treated with a screen showing a link to a viral website. Instead of an appropriate ending, the spectators were left watching a massive announcement for a website. The interview followed Dave Skylark reporters and Aaron Rapaport as they tried to interview North Korean Leader Kim Jong-on. Unfortunately, CIA wanted them to join them in the murder of Leader. The film, which was launched by Sony photos releasing, was under development since 2010. Photo Cedida: Sony photos releasing / Youtube while the film was not divisive domestically, the reception in North Korea was decidedly differently different . Because of Kim Jong-UN's death, in the end, the North Korean government threatened the action against the United States if the film was launched, taking Sony's photos to give the movie a launch Digital only. A selected amount of theaters showed the film for a limited time. Blade Runner was the movie of the quintessential Grim Dystopian. Starring Harrison Ford, the movie concept did not sit along with many in your initial release. Over time, however, Blade Runner has become a classic worship and inspiration for several other movies, TV shows and video games. Cedida Photo: Warner Bros./youtube Original made it clear if Ford's character was really a replicant. Which led the fans to debate their status status years old. The final of the director, who was launched a dance later, set the ambiguity with a message that implied that the character was truly replicating. Brian's life of Monty Python of 1979 told Brian Cohen's story, which was born on the same day as Jesus Christ. If this is not enough, Jesus Christ also was his neighbor next door. Things are wild when it ended up getting confused by Christ's own. Photo Cedida: Orion Pictures / Youtube The entire film generated controversy, but the end of the authens shocked everywhere. The crucified convicted closed the film, singing Eric idle "always look at the positive side of life." The film was banned in Ireland, and some religious groups sang hymns in protest of the contents of the film. The actor Joel Edgerton is the strange directist was the psychological gift of 2015 the present. The film followed a couple (Simon and Robyn Galem) while moving to Los Angeles to get a new life. Unfortunately, someone of your past (Gordon "fat" Mosley) did the clumsy things with random gifts. Photo Courtesy: Universal Pictures / Youtube The end of the film revealed that Robyn and Simon Child did not belong to them. A determined final gift Gordon was really the father of his new boy. Audiences and chrots we seem to be their unnecessary construct, while some spectators wished the land had been the focal point of the film. 1969 The wild group followed a gang of bandits traveling through the United States. With the world changing around them, they decided to go on a last mission. The film won two Oscar indications for the best original script and the best original scoring. Photo Cedida: Warner Bros./youture The violent final of the film wrapped the gangs of the law that fight against the Mexican soldiers, and was controversial in the Poca. The violence led to the MPAA almost giving the movie a classification x. This was the first film considered inadequate for children by the MPAA. Ryan Gosling and Emma Stone delivered stellar performances such as Sebastian Wilder and Mia Dolan, respectively, in 2016, La Land. The film saw them fall in love while lived in Los Angeles. The film has become an Oscar Juggernaut with six victories, including one for the best director. Photo Courtesy: Lionsgate / Youtube The end of the film showed Mia, frequenting the performance of Sebastian jazz with her husband. During him, the film cut into scenes of what could have been if Mia and Sebastian were married. This disturbed many spectators who wanted these characters to have a happy ending with each other. The 2013 man's man became the first film to begin the extended dc universe. The film served as a history of superman's origin as he struggled with his powers. Despite the problems with his pace, the film went away with \$ 668 million at the box office. Photo Courtesy: Warner Bros./youture The clámox was when the superman killed General Zod to protect the world. This annoyed long-standing comics fan because the superman does not kill anyone in the books. Comic writer Grant Morrison and comic book Circle Neal Adams were some of the most vocal chronic on this sudden change of character. The Blair Witch project helped influencing a filming films found in his 1999 release. The film portrayed filmmakers trying to figure out information about Blair's local witch's legend. Unfortunately, they think it is very real. Photo Courtesy: Artisan Entertainment / Youtube The end of the film shows an unknown enemy attacking Heather in the portion. The last thing the public saw was Mike from a fall in a corner before being cut to black. Some members of the audience found the endless end, while others felt it was perfect for chaos on the screen. The 2001 Planet of the monkeys taned the accidental journey of Leo Davidson captain to a world full of speaking monkeys that slave With the help of a monkey named Lori, Davidson fought for freedom humanity. Photo Courtesy: 20th Map Fox / IMDb The end of the film showed Davidson returning to a land, but where a of the monkey general tez being erected and all humans were replaced by monkeys. It was completely different from the 1968 classic, and the original film fan are not fun. 1999 Psychological Thriller The sixth sense introduced the world to actor Haley Joel Osmment. He threw in front of the character of Bruce Willis, the Malcolm Crowe psychologist, as Cole Sear, a boy with the power to see the dead. Osmment performance has achieved an Oscar's name for the best support actor. Photo Courtesy: Buena Vista Photos Distribution / Youtube At the end of the sixth sense, the uncovered Crowe Public was dead all the time. He taught audiences on director M. Night the love of Shyamalan through twist finals, and people talked about it months after water coolers everywhere. The beginning has changed the way people saw their dreams. Launched in 2010, the film followed Dom Cobb Badage (Leonardo DiCaprio), who recovered secrets to clients infiltrating people's dreams. Photo courtesy: Warner Bros./youtube Cobb had a top spinning to determine if he was in someone's dream. If he was in the real world, the top stopped. If no, he was still in a dream. The last few seconds of the film showed the top babbling, but not completely stopping, leaving the public wondering if Cobb has returned to reality. FI-FI FILM 2001: Odyssey space gained compliments for your realistic portrait of spatial vain and rich symbolism. The film dealt with a journey to Júpiter and a rebel ai, the Hal 9000 computer expressed by Douglas Rain. Photo Courtesy: MGM / Youtube After the disappearance of Hal 9000, Dr. David Bowman, who was played by Keir Dullea, traveled by time to reach a monastery. When he tried to grab him, he turned into a fetus and then thrown into the space in a sphers of light. The end of the film still confuses people today. No 2007 country for old men brought 1980 West Texas to life with the help of the Coon's sisters. After stealing money from a drug business, Llewelyn Moss (Josh Brolin) was hunted by Chigurh (Javier Bardem) and Sheriff Bell (Tommy Lee Jones). Photo courtesy: Miramax / Youtube On the last scene, Bell recalled a dream that he had involved her father and a torch. When Bell proclaimed, "And then I woke up," the scene cut into black, confused and annoying many moving moves. 1980 The imposition attacks the back continued the success of Star Wars franchise with Luke Skywalker, Han Solo and Princess Read on the Darth Vader race. The film went away with two oscares for better sound and better visual effects. Photo Courtesy: LUCASFILM / Youtube Vader announcing that he was Skywalker's father is easily the greatest torch of the plot in the history of cinema. Star Wars fans could not keep sweating the moment for people waiting in line at the theater. Today. "No, I am your father" is one of the film lines more (MIS) quoted from all time. Thriller Psychological Donnie Darko took 28 days to film, which matched Timespan in the film. Jake Gyllenhaal played the title character, which had apocalyptic visions involving a muzzle man in a rabbit suit, which became the unofficial mascot of the film. Photo Courtesy: Newmarket Films / IMDb In the end, Darko knew his creator through a falling jet engine. Following his death, Donnie Rose's mother waved to Gretchen, but in a strange way. It was almost as if she was satisfied with her son's horrible death. This end continued to confuse the movements for years. The village of 2004 was about the residents of a local village of the century XIX who were afraid of mysterious creatures in the area. However, this did not stop ivy Elizabeth Walker, played by Bryce Dallas Howard, to cross the forest to catch a remedy. Photo Courtesy: Buena Vista Pictures / Youtube Director M. Night Shyamalan delivered his biggest turnaround he revealed the city was really from the present. At Traveled were simply people dressed to keep the residents leaving the city. Things got even more crazy when Shyamalan Shyamalan as guard to deliver this news. The taxi driver says the history of Travis Bickle as a Taxi driver insan. Things change when Bickle shocks a crazed plan to murder Charles Palantine presidential candidate to save 12 year old rangers. This becomes part of the pursuit of Bickle to become a hero for everyone. Photo Courtesy: Columbia Pictures / Youtube Taxi The final of the driver finds Bickle withdrawing some thugs to save Iris, but not before being hurt. Bickle finally becomes the hero that he wanted to become. However, many people consider the end of being a sequence of dreams, which means that Bickle may have failed in his mission. The legend of Bonnie Parker Clyde Barrow got large screen treatment with Bonnie and Clyde of 1967, directed by Arthur Penn. With Beatty Warren and Faye Dutaway in the tasty papers, Bonnie and Clyde became a landmark movie in Hollywood. Photo Courtesy: Warner Bros.-Seven Arts / Youtube The end of Bonnie & Clyde shocked everyone with his violent description of the inevitable death of the pair. New York Times Film Criticet Bosley Crowther was particularly hard, but the cast and crew were not silent in his support for the film. "Everyone in the world may like a movie, and if Crowther does not, he kills her," said Beatlé Roger Ebert. The Snowpiercer told the story of the last remnants of humanity in the train snowpiercer as the tension is based between the upper and lower classes. The film won a sane of indications, including the best director of the director's cut. Photo Courtesy: Radius-TWC / Youtube During the end of the film, Curtis Everett (Chris Evans) destroyed the Snowpiercer, killing almost everyone on board. Two children, however, came out of the vehicle to start again. However, some chrots thought it was heavy for children to be the unique survivors of the situation. Spike Lee's comedy-drama do the right thing dealt with racial tension in a Brooklyn neighborhood. In the film, Lee played Pizza delivery delivery Mookie, who worked for the owner of Vile Pizzeria (Danny Aiello). This last has gained a better appointment of ASCAR support actor. Photo Courtesy: Universal / Youtube Many spectators knew the film would end in chaos. Before his release, however, some people thought that real riots would happen on the streets outside the film. "I do not remember people saying that people were going to get out of theaters killing people after they watched the Arnold Schwarzenegger movies," said Lee Rolling Stone. 2016 Sci-Fi / Romance Film Passengers began with Jim Preston (Chris Pratt) awakening very early from hibernation on a ship with thousands of passengers going to a planet 60 Years Light Earth. The film won Oscar indications for better production design and best original scoring. Photo Courtesy: Sony / Youtube Previously in the film, Jim woke up another passenger, Aurora Lane (Jennifer Lane), to keep up company in the remaining long journey. By doing so, however, he condemned her to die with him before they reached her fate. While the two eventually fell in love and married, some critics and moving argued that Jim was a reprehensible human being and that they should not get together. Eight years after the 2008 Clovolesic Cloverfield, 10 Cloverfield Lane was as confused as the original. The film follows three individuals trying to survive on a chemically destroyed land. As with the previous movie, the lot details were kept secret before your release. Photo Courtesy: Paramount Photos / Youtube The movie ended with Michelle (Mary Elizabeth Winstead) Taking Howard (John Goodman) after he admitted to kill Emmett (John Gallagher Jr). Before the rolled credits, however, Michelle fought a surprise group of alien. Many felt the battle against the aliens were completely for the story. The Safe 2013 refurbishment focused on Katie Feldman, as she tried to make a new life for her in Southport, North Carolina. While in the city, her friend of her Jo her put her with a man named Alex. Alex. Katie's past returns to haunting her. Photo courtesy: Media of relativity / Youtube The end revealed Katie Jo's friend to be possessed by the spirit of Alex's dead wife, Carly. What the aggravated movies was that there were no supernatural elements in the film before that. However, the film was following the plot of the 2010 romance of the same name, and the book fans were confused by everyone's anger. 2011 Survival Film The gray lidedged with men of oil struggling to survive against wolves in Alaska. John Ottway (Liam Neeson) was known to kill wolves for the company, but after he and some co-workers fell into the desert, they were all on top of their heads. Photo Cedida: Open Road Films / Youtube The movie ended with Ottway facing the most fierce wolf in the package. With nothing to lose, he accused in the animal. Unfortunately, the screen cut to black before the fight was solved. A criterion scene showed Ottway and the lobe lying next to each other, but the spectators could not tell if he was alive.
