What is Pastor Allen Jacksons net worth? Who is Pastor Allen Jacksons wife?IntroductionPastor Allen Jackson is an American senior pastor at the World Outreach Church.He assumed his role in 1989 and has since grown the Church from a few dozen members to over 15K.He is a globally recognized name and has worshippers on all four corners of the globe.He has a passion for helping guide people through life as it relates to incorporating the gospel into their lives.The Origin StoryPastor Jackson grew up in Tennessee, the United States, where most of his childhood and adolescent years were spent around horses.His father was an equine veterinarian, and as an animal lover himself, he helped his father every chance he could.As an adult, the running joke he always tells is how he grew up in a barn. While this is somewhat true, it served a lot of value to him.Everything he learned being around his father and the animals prepared him for what was next to come.He attended a state local university where he studied general sciences, with aspirations of becoming a doctor but still was undecided about the discipline. A Change Of HeartWhile he was destined to follow in his fathers footsteps, his aspirations to work in the field of medicine came to a dead halt after hearing the bible verse Matthew 16:18: I will build my church, and the gates of Hades will not overcome it.According to details posted on his website, he credits that sermon for not only changing his life but also for inspiring him to become the successful and impactful version of himself as he is today. After spoken on countless occasions about how the verse changed his life, he surprisingly tells his audiences that his spiritual transformation didnt take place in a Church setting. But rather on his family home kitchen floor. It took him until later in life to get baptized, after which he did, it was in the Atlantic Ocean far away from home in Fort Lauderdale, Florida. It also took him some years to understand what corporal Church worship meant and how to build it as a newly baptized Christian.He explained, When I read Matthew 16:18, I began to say to God, If theres anything I can do to help with building Your Church, Im in.Once he found God and accepted him into his life, he wanted to take his belief and religious passion to a professional level. To that end, he enrolled at Oral Roberts University and Vanderbilt University, as well as Gordon-Conwell Theological Seminary. He then traveled across the ocean and studied at the Hebrew University in Jerusalem.World Outreach ChurchIn 1989, he began spreading the word of God. He became a senior pastor for the World Outreach Church.Jackson wasnt just another pastor, he was someone who had immense leadership skills and the ability to build a significant following.At the time of writing, World Outreach Church has over 15,000.Pastor Jackson achieved this significant level of growth through his unwavering commitment to outreach activities, worship services centered around sharing the gospel, and many community events. His church has grown so much, but in his heart, its still a little country Church since this is how it started off as a traditionally tiny Bible study in his parents home in the 1970s.His sermons are centered around helping guide his followers to become fully devoted to Jesus Christ. He has the ability to reach people by the masses as a result of technological advances. He speaks to over 3 million worshippers each week through Allan Jackson Ministries.He runs his own podcast, where his sermons are prerecorded and uploaded.The podcast is available on iTunes, Spotify, and Google.His weekly sermons are played on local AM and FM radios across the nation, with millions tuning in to listen. His followers can follow his live streams through the Allen Jackson Ministries website, making it easy for them to bring the word of God right into their homes.His YouTube channel is a hub for the religious community and Gods people standing together.
