So far, over 10 ministers and over 20 MLAs have tested positive for coronavirus. In Maharashtra, cases are increasing in Mumbai and Pune," he told reporters after visiting the Jaystambh military monument in Perne village on the occasion of the 204th anniversary of the Battle of Koregaon Bhima. Queried on the possibility of imposition of more curbs, Pawar said the state government is keeping a tab on the increasing number of patients. Not only Shivaji Adhalrao Patil but those who want to hold the bullock cart race should also consider the looming threat (of the third COVID-19 wave)". With inputs from PTI. The COVID-19 positivity rate in Pune city touched 5.9 per cent on Friday after 412 cases were detected, raising the tally within civic limits to 5,10,218, as per officials. Mumbai on Friday reported 5,631 new COVID-19 cases, almost 2,000 more than Thursday, which took the caseload in the city on the last day of the year to 7,85,110, a civic official had said. This was a rise of 53 per cent over 3,671 cases recorded on Thursday. "Kumar was awarded the Mahavir Chakra for his contribution to the Kargil war," said Police Inspector (crime) Harshavardhan Gade. A spate of hate speeches Last week, at the two-day Dharam Sansad, or religious parliament in Chhattisgarh's Raipur city, many religious leaders had reportedly called upon Hindus to take up weapons and prepare themselves for the establishment of a Hindu nation. "If the number of patients continues to rise then there will be strict restrictions. Maharashtra has seen a sharp rise in new daily coronavirus cases in the last 12 days of 2021. The state government, in fresh guidelines issued on Thursday night, capped the attendance at gatherings in open or closed spaces at 50. Keep in mind that the new variant (Omicron) spreads fast and hence caution is needed. The original lyrics of Raghupati Raghava Rajaaram are attributed to Sri Lakshmanacharya; This Ram Dhun was later edited and popularised by Sri M.K.Gandhi; This was widely attributed to his attempts to bring about reconciliation but it is anybody's guess how many Muslims would have actually sung this. At the Haridwar event, speakers asked Hindus to buy weapons for genocide against Muslims. In Delhi, people took an oath to "die for and kill" to make India a Hindu nation. Three people have been booked after the Haridwar event, but no action has been taken against those who attended the Delhi conclave. Compare this with the confusion that it brought about in the minds of Hindus. PM Narendra Modi has appealed and some states have announced a night curfew. Based on this, the permission might have been denied in the larger interest. After the event, Kalicharan was booked on charges of promoting enmity between communities. The case against the seer was filed days after provocative speeches against Muslims were made at two events in Haridwar and Delhi. No action has been taken against him so far in this matter. The police have also booked Captain (retired) Digendra Kumar for making incendiary speeches at the Pune event, PTI reported. When asked about the Maharashtra government denying permission for organising a bullock cart race and former MP Shivaji Adhalrao Patil announcing to go ahead with the event, Pawar said, "After the meeting (of the COVID-19 task force), chief minister Uddhav Thackeray directed the state chief secretary to issue orders to all collectors to avoid public gatherings to (stop) another wave of the pandemic. Everybody wants to be part of the celebrations of New Year, birthdays and other occasions. © Provided by News18 Maharashtra to See Lockdown Soon? Deputy CM's Warning After 10 Ministers, 20 MLAs Test Covid +ve More than ten ministers and at least 20 MLAs in Maharashtra have tested positive for coronavirus so far, Deputy Chief Minister Ajit Pawar said on Saturday and added that strict restrictions might be clamped if the new COVID-19 cases continue to rise in the state. Pawar's warning came a day after Maharashtra reported 8,067 fresh coronavirus positive cases, as much as 50 per cent more than Thursday. "We cut short the Assembly session recently. To avoid strict restriction everybody should follow norms," he said. Maharashtra Minister Nawab Malik said Covid cases were rising and if people will not follow guidelines then the government would have to impose a lockdown. The Pune Police have filed a first information report against seer Kalicharan Maharaj, Hindutva leader Milind Ekhote and four other persons for allegedly making inflammatory speeches at an event in the city, the officials said on Wednesday according to PTI. Earlier this week, the Chhattisgarh Police had booked Kalicharan after he insulted Mahatma Gandhi at a Hindutva event held in state capital Raipur. In Pune, the alleged incendiary speeches were made on December 19 on Shiv Pratap Din - an event to commemorate 17th-century Maratha ruler Shivaji's killing of Afzal Khan, a general of the Bijapur Sultanate. According to the FIR, the speeches delivered by the accused persons were intended to hurt the religious sentiments of Muslims and Christians and to create a communal rift between people. The police have booked the six accused persons under Indian Penal Code sections 295 (A) (deliberate and malicious intention of outraging religious feelings of any class), 298 (deliberate intention of wounding religious feeling of any person) and 505 (2) (false statement, rumour made in place of worship, etc, with intent to create enmity, hatred or ill-will). One of the accused persons, Hindutva leader Ekhote, had allegedly made provocative speeches before the caste violence took place in Bhima Koregaon village in 2018. Pawar said the government recently told the state legislature that land may be acquired for the redevelopment of the monument (Jaystambh) for the convenience of lakhs of people who visit the spot every year to pay tributes on the anniversary of the Koregaon Bhima battle. He said a committee has been formed to take further action.
