Radhika Steel. Established in 2020, is a well-known Distributor of Wire Rod and Mild Steel Wires (MS Wires) with an annual turnover of 25 - 100 Cr. They have maintained a good business relationship with their customers by understanding their needs and delivering products at competitive rates. The company employs modern machinery to ensure efficient production and other processes. As a Proprietorship-based business, Radhika Steel operates as a team to meet customer demands. They are listed on IndiaMART since July 2020 and have obtained GST registration on 20-05-2020. Their products, including Wire Rod, Mild Steel Wires (MS Wires), HB Wire, Binding Wire, GI Wire, Wire Nail, Barbed Wire, MS Pipe, etc., are available at various locations in Raipur. Their address is located in Shyam Nagar, Raipur, Chhattisgarh. The price of their products varies, with 50/Kg being the lowest and 72.50/Kg being the highest for a specific product. Looking forward to seeing everyone at the meeting tomorrow and discussing our strategies for construction wire supply in Raipur, Chhattisgarh. Our company has been providing high-quality wires from Swastik Steel Ispat and Unifence for years, with a focus on industrial applications. We have multiple warehouses located in Raipur, including Happy Homes, Amlidih, Kukreja Farm House, and Byron Bazar, which offer convenient services to our customers. Our team is committed to delivering excellent customer service, ensuring timely delivery of our products. Our wire products are available in various gauge sizes, including 20 SWG, with diameters ranging from 1.2 mm to 5 mm. We also provide a range of finishes, such as galvanized and powder-coated, which cater to the diverse needs of our customers. For construction purposes, we offer wires with high tensile strength, suitable for various applications. Our prices are competitive, with a rate of 65/Kg for 20 SWG wire material mild steel. We also have an online presence, with details available on our GST Trust/SEAL Verified certificate and contact information for our suppliers. Rudransh Steel Industries, established in Raipur, Chhattisgarh, is a leading manufacturer and supplier of high-quality stainless steel wires & cables in India. With extensive experience in supplying and trading various types of wires, Rudransh Steel Industries has made a reputable name for itself in the market with products like 12 Gauge HB Wire, 13 Gauge Mild Steel Binding Wire, and 20 Gauge Mild Steel Binding Wire. The company focuses on customer-centric approach and caters to a huge consumer base throughout India. Buy stainless steel wires & cables in bulk from Rudransh Steel Industries at Trade India with quality-assured products. Specifications:- ASTM B473 ASME SB473 UNS N08020 Wires- Dimensions: ANSI/AWC 01 -1992 and ASTM E 2016-11 and RRW 360 DIN 2.4660 Wires Alloy 20 Stainless Steel wires offer several benefits for various applications, including good electric and thermal conductivity, high intensity and elastic modulus, corrosion and wear resistance, and uniform surface condition. These properties make them suitable for use in construction, crafts making, and other industries where strength and durability are required. The wire is made of 20 gauge mild steel, which can be bent freely and has excellent flexibility and durability. It is also used in the production of metal wire baskets and cages. The mechanical properties of Alloy 20 include a density of 8.1 g/cm³, a melting point of 1443 C (2430 F), a yield strength of 35000 Psi or 241 MPa, a tensile strength of 80000 Psi or 551 MPa, and an elongation of 30 %. Equivalent grades include Incoloy Alloy 20 Wire, UNS WERKSTOFF NR. AFNOR EN JIS BS GOST, and others. The wire is available in different sizes and lengths, including 10m reel, 25m reel, and 50m reel. The price of the alloy 20 wire per kg varies based on length, with 5m costing USD \$122, 10m costing USD \$143, 20m costing USD \$164, and 100m costing USD \$257. Additionally, the wire is available in various thicknesses and can be used for a range of binding and bracing jobs. The supplier, Gulab Metal, offers high-quality mild steel black binding wires suitable for construction and other industries.

What is 20 gauge wire used for. 20 gauge wire in mm. 22 gauge wire price. Wire gauge price in india. 18 gauge wire price.
