With our progressive and innovative approach to learning, the flexibility and customization of an inspiring high school education has finally arrived. We are experienced educators and specialists in blended learning, providing our students with the customized schedule they need to succeed in their sport or extracurricular activity of choice. NSA families capitalize on half-day programming, creating the opportunity to take advantage of day-time training & programming that meets the needs of their extra-curricular pursuit. Our Academy experience offers a hybrid of instructional and self-directed learning for students in grades 8-12. Students have the flexibility to progress at their own pace, or to follow timelines as directed by our amazing team of highly experienced teachers. Whether you attend school daily, twice weekly, or only during your 'off-season', our program is designed for everyone to achieve success in both academic and athletic pursuits of excellence.
