- Versão do CS 1.6 Original sem modificação/limpa. At this moment we have well over 60 different CSStrike editions, each one of them being first class experience for any kind of needs. - Fixado teclados/keywords, CHAT layout acentos / (barra)... And if you think it's a bold statement we will elaborate. Our website is constantly evolving: we listen to your ideas, we improve our design, we update our existing editions and design better ones. - Compatível com sXe Injected. But enough about us, it's time to let you know about the game itself, just in case you still didn't try Counter Strike 1.6 and are interested about what it's all about. The last one AS is meant for rescuing the VIP player who is a member of CT team. Yes, CS 1.6 is over 20 years old at this point, but it's popularity is still higher than many other similar games. In other words we made it our number one priority to let you download CS 1.6 of your dreams. We follow all of the current trends, which is why we have such options as CS 1.6 Zombie Edition, CS 1.6 Half-Life edition and even such amazing products like Among Us edition and Fall Guys edition. - Bots funcionando. Having been around for over six years we built a well-developed trust and therefore you can easily rely on us to bring you the best quality product. - Protocolo 47 + 48. Well, the idea is pretty simple: a good old bad vs evil scenario, this time it's terrorists against, you guessed it, counter-terrorist. For CS it's rescue the hostages, being kept in specific locations (mostly in a room or sometimes in different rooms) of a map while terrorists must protect them from being rescued at all cost. And having you come to our website, it is a safe bet you're here to download CS 1.6 - the best version of CSStrike till this day. Counter-Strike, ou CS, é um popular jogo de computador, mais especificamente um "mod" de Half-Life para jogos online. CS maps have quite a different goals. Requer muita estratégia, trabalho de equipa, e habilidade para ser um vencedor. - Servidores brasileiros. The idea is to for CTs to ensure a safe way for VIP to get to the rescue point. (which is usually a helicopter). Players are divided into two teams (TT or CT) and then each team has a certain task depending on a map. If you're a modern day kind of player, then you've probably already played Global Offensive (because you can download CS GO free on Steam these days) - the latest version of CSStrike that came out in 2013 and gained an insane amount of popularity very fast. INFORMAÇÕES V11: - Setup de instalação apenas 200 MB. More over, new versions come out on a monthly basis, so even if you find enough time to try each and every one of them, feel free to come back a bit later for more. É um jogo de tiro em primeira pessoa baseado em rodadas no qual equipas de contra-terroristas e terroristas combatem-se até a vitória. In a case of hostages dying, the only way to win a round for counter-terrorists is to eliminate everybody on the other team. That practise not only helped us to deliver the versions of CS you want, but also kept us relevant throughout the modern trends. - Proteção contra binds e redirects - Não buga com a steam REQUISITOS: MÍNIMO: Processador a 500 MHz, 96 MB de RAM, placa gráfica 16 MB, Windows XP, mouse, teclado, ligação à Internet RECOMENDADO: Processador a 800 MHz, 128 MB de RAM, placa gráfica 32 MB, Windows XP, mouse, teclado, ligação à Internet DOWNLOAD / BAIXAR: Tamanho: 200 MB Servidores: Mega, MediaFire e Direto If you consider yourself a gamer especially the one who enjoys a good First Person Shooter, then you've most likely heard of Counter-Strike while the chances are, you came here to download CS 1.6. The game is by all means a legend and a father of so many modern multiplayer games with similar task: to eliminate enemy's forces, but probably not as quite unique as CS is. Become our recurring visitor and we will not disappoint you! A part of our success we fully dedicate to you, visitors as we listen to your ideas all the time, all you have to do is comment what version you want us to make next and we might just do it. Meanwhile, terrorists' main job in to eliminate the VIP player or at least not let him to get away until the end of the round. Most popular map types are DE, CS, and AS, although first two take up 99% of the gameplay nowadays. Main tasks on DE for terrorists: plant the bomb and detonate it, while CT's job is the opposite: not let the bomb to be installed until the end of round or defuse it after it had been planted. - Compatível com Windows: XB7/Vista/8/8.1/10. In the current gaming landscape there hardly is one player who enjoys a good first-person-shooter and never heard about Counter-Strike - a truly legendary game of our time. «Our website has 83 amazing CS 1.6 versions» And that is exactly what we supply you with: a great stable fully up-to-date protected version of CS. - Jogo OnLine/OffLine. Even with the release of Global Offensive, that older version is still extremely famous and literally thousands of people download Counter-Strike 1.6 every day.
