Scorekeeper: _____

Volleyball scoring 160; It's simple because © You only need to have a total of twenty-five score points each set of the game and after the whole set has been finished, the team with the highest score will win the game. Looking at the scoring card model, you can create scoring cards for the referee and judges to use for each set and each team that plays the game. The score card is usually had many empty spaces in which the score should be written every after score had been earned by a team. Like other Baseball Score Sheet cards, it is the size of the palm and contains many rows and columns for the judge or referee to write the score.
